VOLUME NO. 1 | CARMEL-BY-THE-SEA, CALIF., THURSDAY, JANUARY 11, 1934 | NUMBER 50

LEGGE CONCERT SATURDAY NIGHT

This coming Saturday evening, at Carmel Community Playhouse on Monte Verde street, one of California's most promising concert pianists will repeat the program with which she surprised and delighted the critics at Vienna last season. Marjorie Legge's name, known today to only a few friends and admirers on this side of the Atlantic, will probably be as well known throughout the country within the next few years as other California prodigies who have electrified the world of art.

Miss Legge's appearance in Carmel will be virtually her first public appearance in America after returning from Vienna, where her debut last year was regarded as an event of the season. She will play a distinguished program, with numbers by Bach, Chopin, Lisst, Debussy and Scriabine, the piece de resistance being the magnificent prelude, Chorale and Fugue by Cesar Franck, essayed by only the most finished artists and provocative of the highest praise by Miss Legge's Vienna critics.

The following excerpts from the Vienna press are of interest: "A pianist of fine quality—most happily suited to Chopin, Debussy and Scriabine—great temperament and purity of technique" —Vienna Salon Blatt. The Vienna Jorunal said: "A moulded technique and expressive feeling —a program of highest order." The Wiener Zeitung: "A pianist from California, displaying unusual power—genuine interpretive understanding."

As a concession to the times a reduced admission price has been established for this recital, and no music lover on the peninsula will be deprived of the opportunity to hear this splendid young artist Saturday evening.

Winifred Christie Is Coming To Carmel

With her double keyboard piano, only recently perfected, Winifred Christie will appear at the Denny-Watrous gallery January 26.

The Sun keeps reminding you of the date so you won't forget this program, since an unusual artist with an unusual instrument will be well worth seeing and hearing.

"MR. SKITCH" AT THEATRE TONIGHT

Charlie Chaplin once admitted he drew his inimitable duck-footed waddle from the drunken stagger of a little Cockney huckster in London. And Harry Langdon delved into the archives of his memory to recapture the mannerisms that have made him famous. But the unknowns, upon whose eccentricities famous comedians have constructed their characterizations, remain unseen and forgotten.

Someone has suggested that at least the memory of those unknowns be perpetuated in some imaginary Hall of Fame where their imitators may some day worship.

The theatre and screen are full of imitators whose fame rests mainly on their powers of mimicry. ZaSu Pitts, the eccentric female, at whose image thousands laugh daily, admits character is an out-and-out steal.

Recently she revealed where she had first found the idea of her best-known gesture, that helpless fluttering of her hands which spell alternately confusion and despair.

In Santa Clara, where ZaSu's family moved from Kansas when she was still a schoolgirl, there was a high-school teacher who could not abide the sound of chalk on a black-board. It seemed to make her physically weak when the pupils, doing their sums, pressed too hard on the board.

At each squeak of the chalk she would cringe and her hands would fly to her shoulders in mute appeal. The motion never failed to bring a chuckle from the class and ZaSu used to delight her schoolmates with imitations of the distracted instructor.

When she was given her first comedy role in Hollywood, ZaSu remembered the laughs this bit of business used to bring and incorporated it into a screen characterization. She has been using it ever since.

Those fiingers will pluck at her shoulder sleeve next in "Mr. Skitch," in which ZaSu is playing opposite Will Rogers in the Fox film being made from Anne Cameron's Saturday Evening Post stories of the tourist camps.

Rochelle Hudson, Florence Desmond, Harry Green, Eugene Pallette and Charles Starrett are others in the cast, James Cruze directed the picture, which starts an engagement on Thursday at the Carmel Theatre.

Dolores Bakery New Frigidaire

George Wishart, proprietor of the Dolores Bakery, has installed a new three-quarter ton Frigidaire in his shop on Dolores near the postoffice.

Mr. Wishart says the new box became a necessity with the growth of his business. He has been in Carmel nearly two years and the name "Dolores Bakery" on breadstuffs is synonymous with "delicious."

PACIFIC GROVE HIGH TO TEACH SEWING

MONTEREY HOPES NEW BUILDING HARMONIOUS

Indications are that the new recreation building to be placed near the monument on the hill in the Presidio will conform to Monterey's style of architecture. Only $30,000 has been allowed for the building, however, most of which must be used for labor.

Chalk rock gates are planned for the entrances and work is to begin very soon.

About 125 women were present at the monthly luncheon meeting of the Peninsula League of Women Voters on Wednesday at Holman's Solarium, to hear Miss Llewellyn Toland, a San Francisco attorney, explain the position which the league has taken in opposing the "Equal Rights Amendment" which is sponsored by the Women's party. Miss Toland also outlined the work of the California League done by the Legal Status of Women section of which she is chairman. Mrs. Willis G. White arranged the program.

Mrs. Joseph Schoeninger, the president, called upon the various chairmen of the study groups to give the dates of the meetings of their respective sections

Clara Joy's friends wish her 93 more happy birthdays .

Miss Marion Minges will spend the week-end with her sistr, Mrs. Hull, in Hollister and will attend a dance given by the young people of that city.

ROLAND HAYES DELIGHTS CROWD

Roland Hayes, negro tenor, appeared at Sunset School Saturday night to delight the largest audience that has ever attended a concert given by the Carmel Music Society.

Hayes is a small negro with a voice clear and pure, a voice that you feel will not disappoint you as he climbs to the high notes or sinks to lower tones.

With no showy emotions, and with nothing to indicate his deep feeling of his songs except a certain tension of his hands. Hayes stood steady while the silver tones poured from his throat.

If his audience was disappointed at all, it was in his choice of spirituals since he did not choose those with which the great majority of people are familiar nor those which have the "swing" with which the public is familiar. As a request number Hayes gave "Swing Low Sweet Chariot," and many of his audience felt they never had they heard it with such tone nor feeling.

Percival Farham, negro, his accompanist, was as much an artist in his line and won many plaudits from the audience.

With the call for so many more seats than usual at Sunset, three rows of portable chairs were placed in front and were quickly sold.

BOXING AT WATSONVILLE FRIDAY, JANUARY 12

Red Stephens and Gene Espinosa fight the windup ten rounds or less. The boys fought the greatest fight the Watsonville fans ever saw two weeks ago. Gene won by the KO route, but not till he had been knocked down twice for the count of seven.

Both boys are two-fisted fighters and throw leather from bell to bell. The fight is sure to end in a KO. Espinosa is a slight favorite.

The semi-windup brings together a pair of good boys in Al Alicante and Joe Skube. Al has been fighting main events in the south and is a clever boxer, winning most of his battles. Skube, former amateur champion, is no soft touch. Alicante should win. Weight, 150.

In the special event Bud Naulty meets Young Gene. It should be a good fight with Naulty having his hand raised. Bud hails from the Presidio and is plenty clever. Weight 112.

Del Hawkins meets Billy Hayes Both boys are rugged hard-hitting two-fisted fighters. Hawkins should win.

Young Austin and Ralph Fagan fight the curtain raiser. Austin is a willing boy and a crowd-pleaser. If Fagan is all the San Jose fans say he is, Austin is in for a rough night. Weight 118. Bud Naulty will fight the winner of the Austin-Fagan bout.

Stan Barnes is promoting the Watsonville shows. He knows the fight game from A to Z, is a hale fellow well met and promises the fans only the very best of bouts.

SALINAS FIGHT CLUB CLOSED FOR PRESENT

Big Mitch has closed his amateur fight club and will not hold any more fights for the present at least. That is bad news for the fans as Mitch threw some great shows. The Watsonville club is opening at just the right time.

WRESTLING MATCH AT SALINAS ON JANUARY 11

With the passing of the fight shows at Salinas, the bone-crushers will take each other apart every other week. The first card will be Thursday night, January 11.

Dr. Freddy Meyer will take on Al Baffert in the wind-up, best two out of three falls with a two-hour time limit.

Oki Shikina will trade headlocks with Scotty Dawkings, one fall with a thirty-minute time limit.

George Wilson and Dave Johnson tangle for one fall, thirty-minute limit.

In the first match Joe Martin and Charlie Rainieri will toss each other around the ring for one fall, twenty-minute time limit.

On paper it looks like a good card as all the boys are top notchers. Show starts at eight thirty.

Frank Dalton, Carmel welterweight is turning pro next month. Frank has had six fights and won five. His first pro fight will be either in Watsonvile or San Jose.

Hy Anderson is back to work at his barber shop on Seventh street after being away for several weeks on account of illness. He cut five heads of hair his first day at work.

DISBURSEMENTS IN EXCESS OF RECEIPTS

The fllowing is taken from "The Union Democrat" of Sonora, Calif.

Already faced with a bonded indebtedness amounting to the staggering total of $783,000,000, the state, county and city governments of California last year spent $63,000,000 in excess of their combnied receipts.

This illuminating summary of the critical financial problem facing the taxpayers of California was received here today from State Treasurer Charles G. Johnson. He sounds the warning that unless voters and taxpayers generally give serious thought to governmental finances the present excessive tax load will become increasingly unbearable.

"During 1932 the total receipts from all sources to the state government amounted to $166,785,662," he said. "During the same period of time the expenditures were $190,982,095. In other words our state government during 1932 spent $24,196,443 more than its total income.

"In the same year the combined receipts of our county governments amounted to $339,765,749 while the combined expenditures were $354,110,651. County expenditures exceeded receipts by $14,344,902.

"Receipts of the incorporated cities and towns of California during 1932 aggregated $224,587,220, while the expenditures amounted to $247,960,758 or $23,373,538 more than was received.

"We have here a picture of all three branches of government spending many millions of dollars a year more than their income. It is a situation which calls for immediate remedy.

"No business, private or public can long continue under these conditions and remain solvent.

"Our state government, the parent corporation in which every citizen of California is a stockholder, is now approximately $40,000,000 in debt.

"The politically-controlled management of our state government has made no effort to live within its income.

"A combination of stupidity and political expediency has put us on the verge of bankruptcy."

Peninsula News

Pacific Grove's high school student body was much upset at their meeting last week over the question of the girls being allowed to wear the block letters won by their "boy friends." The weighty matter is still in the air.

George Sanford, 37, and William Salling, 20, were arrested in Seaside after a short time residence there on a charge of burglary which they were alleged to have committed in Stanislaus county. The men were traced through tire tracks and through goods allegedly stolen.

Taking the place of the late J. E. Bentley, who passed away suddenly last week, C. W. Kolb has been named trustee to represent Seaside on the Monterey Union High board.

Buster Rodney, Pacific Grove, has been removed from the hospital to his home. He was struck down by a car a few days before Christmas, in which were riding Frances Alves and Mrs. Daril Schneider.

The manager of the Oakland ball club is expected to arrive in Monterey the last of this week to look over the ball park there as a possible training site for his team.

The 20-30 club of Monterey has installed the following new officers: Cliff Jones, president; Harold Neilsen, vice president; Henry Hansen, secretary; Benny Jaka, treasurer. Directors are Ernest Perkins, Dr. R. L. Roach, Henry Hansen and Carl Amstein.

In speaking before the Monterey Rotarians, Fred Bechdolt stated that the NRA is still an active factor in the recovery program and that the committee has found a fine spirit of cooperation on the peninsula.

Pacific Grove has been accorded the right by Judge Dooling of Hollister to contest a bill of $8,000 presented by attorneys of Mrs. Mattie McDougall in the bath-house condemnation suit a year ago.

A. W. Furlong, former vice president of the First National Bank of Pacific Grove, was elected president of that institution Friday. T. A. Work, former president, resigned as required by the new banking law which forbids a man to be president of more than three banks.

A burglar entered the E. Van Aman home in Monterey Friday night and made away with two purses holding valuables and cash the latter about $25. The Van Amans and their guests were in an adjoining room. Monterey police ask that the peninsula be on the lookout for suspicious characters since the man is thought to be the same one who plied his trade in Salinas and San Luis Obispo, robbing many residences.

Mr. and Mrs. John Montagu spent the week-end in San Francisco. Miss Abby Lou Bosworth had charge of the Carmel Art Gallery in their absence.

On Tuesday afternoon the Carmelo Home Department held their regular monthly meeting at the home of Mrs. George Preyt. The topic discussed by the women was, "A New Deal For the Housewife." Miss Olsen, home demonstration agent, had charts with her on which one can keep accurate account of just how their time is spent. When the chart is complete it will be returned to Miss Olsen. Not all the women cared to keep the charts but several were anxious to know how much time was actually consumed in household tasks.

Those present at the meeting were: Mrs. H. B. Schulte, Mrs. J. C. Anthony Sr., Mrs J. C. Anthony Jr., Mrs. Silvear, Mrs. Roy Martin, Mrs. J. H. Stewart, Mrs. George Carter, Mrs. Andrew Stewart, Mrs. Rutledge, Miss Carmela Tiedora, Miss Ann Olsen, home demonstration agent.

Entertains at Birthday Dinner—

Miss Florence Wolter entertained at a birthday dinner Sunday honoring her brother, Dave. The table was daintily decorated with five finger ferns and violets. A delicious turkey dinner was enjoyed by the following guests: Mr. and Mrs. Joe Wolter, their sons, David, Dean and James Wolter, George McDonald, Henry Krohn and the honor guest.

Interesting Trip—

The writer had the pleasure of an all day trip down the San Simeon highway Sunday. It was a beautiful day and one could see far out into the ocean. The hills have a fresh appearance in their new coat of green. The bridges are really a masterpiece and are bautiful to view from a distance. Stanley Park is only one of the many beautiful spots. There are cabins built under the redwoods on the Big Sur river which suggest rest and quiet. In Stanley Park also are several tame deer which are always an attraction to any park. Below Stanley Park is the lovely Pfeiffer's resort, which is located in the newly acquired state park. The resort is now closed for the winter but will open in the early spring. Pfeiffer's is famous for its fine food and restful surroundings. The state park will soon have tables and other accommodations for picnickers.

We ate our lunch by a small stream which trickled over the rocks in a miniature waterfall. Now and then we would see a whale spouting in the ocean. Those who have not been down the coast road cannot imagine what they are missing until they have seen it.

Andy Martin, popular highway patrolman of Salinas, spent the week-end at his Robles del Rio Home.

Miss Eunice Scarlett entertained as week-end guests, Miss Blanche Neilson of Carmel, and the Misses Elaine and Carol Larson of Pacific Grove.

Miss Lena Salvano left Sunday for San Mateo where she will continue her studies at San Mateo Junior College.

John Martin and family of Salinas spent the week-end at their Robles del Rio home.

Miss Norma Reggiardo visited in Santa Cruz last week. While there she was guest at several parties. Miss Reggiardo was accompanied home by her cousin, Miss Doris Moretti of Santa Cruz, who will remain here for a visit.

Jack Martin left Wednsday for Berkeley where he will resume his studies at the University of California.

Mrs. Fred Dixon of Oakland visited her sister, Mrs. Leo Vasquez, last week.

Mr. and Mrs. Luis Wolter had as week-end guests, Mr. and Mrs. Ralph B. Meyers of Oakland.

Mrs. La Rue and son, Elmer, were in San Francisco for several days this week. They went to see Mrs. La Ru's son, Walden La-Rue and his wife who were stopping there for a few days. La Rue is an air mail pilot for the T.W.A. His regular run is between Kansas City and Albuquerque. Over the holidays he had a special run to California. While in California Mr and Mrs. La Rue took in the Tournament of Roses parade in Pasadena.

J. C. Anthony Jr., motored to San Francisco Monday on business returning the same day.

Just Anything

By Jean F. Bunch

If you are undecided as to where your dollar does the most good, mark a dollar bill and spend it. If you spend it in Carmel, the chances are you will see it again. If you spend it in Monterey or Pacific Grove, the chances are that you will not. If all Carmel traded at home, the chance of your seeing the dollar again would be practically certain. The statement has been made that Carmel merchants do not patronize each other, and practically every merchant will tell you that the majority of the citizens here go "over the hill" to buy. One wonders when he hears the almost unanimous statement, I love Carmel," as to what form that love takes. Does it mean we will do all in our power to help Carmel or that we will thoughtlessly destroy the shops and stores which are synonimous with the town? Let each of us think these questions out honestly for ourselves.

The federal employes' cut of 15 per cent will be continued for another six months under an order from President Roosevelt. Personally we should like to see this 15 per cent restored since federal employes as a rule put their money into circulation, being reasonably sure of a continuance of their jobs. At present they have no money above a bare living.

Women fear they can't eat their cake and have it too. Miss Llewellyn Toland, young San Francisco lawyer opposes the "equal rights amendment" on the ground that it will cancel all the special legislation for women now in effect. Special legislation for women does seem to work both ways. Woman now has the right to work eight hours a day plus her housework; she has the right to hang onto a strap in a street car while her fellow man worker sits and reads; she has the right to ride in the elevator with a man who keeps his hat on; she has the right to elbow a man from under the awning in the rain. What more can she ask?

The Republicans are planning to make an issue of restoration of veterans' benefits and to fight for liberalized treatment of Spanish war veterans. If getting money into circulation is a point of the administration, we can't see why the pensions were cut. The great majority of Spanish War veterans are along in years and the cutting of their pensions works a hardship on them and their families and finally on the nation.

Is Barnet Double For Pres. Roosevelt?

The following communication was received by Carmel Sun this week from a new subscriber. We leave the uestion of Barnet's resemblance up to our readers:

If you had been lunching in Curtis Candy Store, with its two large representations of the country's president; if you suddenly met the town's treasurer just outside, I wonder what you would think. A fact of tremendous importance, to every man and woman in America, would probably be shown to your astonished mind. Dare you tell them of it? Can you tell them of it?

"We have President Roosevelt's double out here with us, in the eyes of man yof our people, as testifying to the good looks of our genial town treasurer, Barney Segal."

THE WHITE SAIL

By Charlotte E. Morgan

Go out, little White Sail, into the deep—
Though round you are darks, forbidding;
Sail out to all climes and search.

There is green about you, yellow and black;
Do not fear to go on your lonely quest;
There in the purple you shall find light.

Hidden in dark hearts, there are transparent blues of the sky—
Make them your own, O Sail!

Though menacing, lightless sails are about you,
The ribs of your warm hull cannot hide your cargo of eternal light—
Now white, now blue, now violet.

On your return, O Sail!
You will pass through the reds, the oranges, the blacks—
Earth are they, O Sail!
Through the ribs of your gleaming, golden hull,
Eternal gems are burning white and blue;
Transparent are they, O Sail, and pulsing!

Mr. and Mrs. Lawrence B. Hedge of Los Angeles recently spent several days of their honeymoon in Carmel stopping at Hotel La Ribera.

CHRISTIAN SCIENCE CHURCH

In all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston Mass., a Lesson-Sermon will be read Sunday, January 14, on the subject "Sacrament."

The Golden Text will be: "Let us keep the feast, not with old leaven, neither with the leavn of malice and wickedness; but with the unleavened bread of sincerity and truth." (I Cor. 5:8) Bible selections will include the following passages from Psalms 116:13, 14, "I will take the cup of salvation, and call upon the name of the Lord. I will pay my vows unto all his people."

A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, will also be included which reads as follows: "If all who ever partook of the sacrament had really commemorated the suffering of Jesus and drunk of his cup, they would have revolutionized the world. If all who seek his commemoration through material symbols will take up the cross, heal the sick, cast out evils, and preach Christ, or Truth, to the poor,—the receptive thought,—they will bring in the millennium." (p. 34)

SENTENCED TO SCHOOL FOR STRIKING TEACHER

Because he struck Glenn Watson, a teacher in Monterey Union High, and was held as a sort of hero by fellow students, William Rego, 18, was sentenced to the boys' school at Ione by Judge Jorgensen in Juvenile court.

The fight occurred in November and Watson received a broken nose. Rego is siad to have maintained his air of braggadocia in the courtroom.
